

UTILITY LOCATOR TRAINING SEMINAR

Tuesday, Oct. 9 and Wednesday, Oct. 10, 2018

8:00 a.m. to 3:00 p.m. (Breakfast and Lunch provided)

LOCATION • •

Wildhorse Resort & Casino
46510 Wildhorse Blvd.
Pendleton, OR 97801

Space Limited to 20 Students

FACILITATOR • •

Utility Training Academy

WHO SHOULD ATTEND? • •

This two-day certification training helps participants to understand electromagnetic utility locating, but instrument command is the primary focus of this course. The classroom segment is focused on science and theory allowing the participants a deeper understanding of how the instruments function and troubleshooting techniques. The hands-on portion is focused on visual inspection and equipment use. This time is spent in the field incorporating the concepts, principles covered in the classroom.

PERFORMANCE OBJECTIVES • •

This program is designed to help participants build the necessary fundamental skills to:

- Demonstrate a thorough understanding of state laws and locating best practices
- Demonstrate skills needed to perform accurate and complete line locates
- Use appropriate marking guidelines for underground facilities
- Demonstrate ability to locate and evaluate signal fields.
- Exercise superior line locating & troubleshooting skills

FEES • • Per person, (limit of 2 attendees per company) - **\$50 for both days**

Please register by Sept. 20, 2018. Class orientation begins at 8:00 a.m. on both days.

*An **OPTIONAL** written test is available at the end of the class. The optional written test is a recorded and scored.

Note: This class is offered to those locating in the state of Oregon.

- For **REGISTRATION** questions, please contact Kitty Davis at (503) 781 - 6988 or via e-mail: kitty@digsafelyoregon.com

OUNC MISSION: To operate and maintain a state-of-the art one-call system for the State of Oregon to reduce damages to underground facilities and to promote public safety related to the excavation issues.

PRESENTED BY OREGON UTILITY NOTIFICATION CENTER
